# SILENT MOVIE

## The Lion Tamer

a black and white movie show for all ages

# Silent Movie - The Lion Tamer

THE LION TAMER is the latest in the silent movie repertoire of the award winning  
Bash Street Theatre Co. from Penzance, Cornwall.

A melodrama full of action, pathos and silent comedy from a bygone era, THE LION TAMER  
combines circus skills, slapstick comedy and an original musical score to bring you a black and  
white movie show from the golden age of the silver screen.

A down-at-heel showman is rapidly running out of acts for his travelling circus when a stranger  
arrives in town. When the lion tamer has an unfortunate accident, the newcomer is 'volunteered' for  
the job - with comic and catastrophic results!

THE LION TAMER, inspired by the comic genius of Buster Keaton and Charlie Chaplin, has been  
specially designed to tour village halls and small-scale theatres.

Bash Street Theatre has an international reputation for producing street theatre shows in the silent  
movie genre. Their two previous productions CLIFFHANGER! and THE STATION have been  
enjoyed by audiences of young and old alike at major festivals throughout the UK, and also in  
Holland, Belgium, France, Germany, Poland, Spain and Italy during the past two years.
